CUP Invites Students to Create!

All Saints' Day Essay Contest Permission Slip

We all know them—those remarkable people who have bigger hearts than most. People who always give a little extra and reach out a little further.

In honor of All Saints' Day, Catholics United for the Poor sponsors an annual essay contest in which students have the opportunity to learn about the lives of those who gave of themselves to help others and inspire them to do the same.

The contest is open to all students in sixth through ninth grades. There will be an overall winner and a winner in each grade level. The prize for the overall winner is a \$50 gift card and a pizza party for her/his classroom. The winner in each grade level will receive a \$25 gift card.
